

# Let's Team Up!

Join our growing community.

Active Countermeasures is a group of like-minded geeks that believe in giving back to the security community. We do this through free training, thought leadership, and both open source and affordable commercial tools.

## CHANNEL PARTNERS

Active Countermeasures is inviting you to join a global network of resellers, integrators, and service providers.

When you join our Channel Partner Program, you'll be given a variety of resources to set you up for success. You'll also receive ongoing support from our team.

Distributor	Sales Agent
You handle fulfillment only. ACM delivers product and provides support to customers.	You find customers and close deals. ACM delivers product and provides support to customers.
Service Provider	MSSP (Managed Security Service Provider)
You drives sale, handle installation, and deliver customer support. ACM provides support to your team.	AC-Hunter as a service. You drive sales and manage your customers security. ACM provides support to your team.

## TECHNOLOGY PARTNERS

Our technology partnerships verify partner products are compatible with AC-Hunter, integrate well, and allow joint development of innovative solutions.
